Industrial Automation Courses

CADCAM GURU[®]
Design your dreams

Industries you will get jobs in

Food Processing & Packaging

Water Treatment & Pumping

Pharma & Chemical

Automobile

Green House Control

Home Automation

Gas & Oil Refineries

Paper Production

Printing

Material handling

Courses

ACE Ultimate 3.0

Assured Placement Support

Duration 4 months | 4 hours Daily

Syllabus Theory- Automation Basics Theory & Practical
 PLC- AB, Siemens, Fuji, Delta,
 HMI- Fuji HMI, Delta HMI
 SCADA- Siemens SCADA with Siemens, PLC, Siemens SCADA with AB PLC
 Panel Design- Hardware Theory, ZW CAD, Starter Wiring Practical
 Communication Protocols- Theory & Project
 VFD- Theory, Delta VFD, Fuji VFD
 Pneumatics- Theory & Practical.
 IOT- Introduction to IIoT & Raspberry Pi
 Hands-on Projects

Interview skills

Placement Eligibility 12 months

ACE Plus 3.0

Assured Placement Support

Duration 2 months | 4 hours Daily

Syllabus Theory- Automation Basics Theory & Practical
 PLC- AB, Siemens
 HMI- Fuji HMI
 SCADA- Siemens SCADA with Siemens PLC
 Panel Design- Hardware Theory, ZW CAD, Starter Wiring Practical
 Communication Protocols- Theory

Interview skills

Placement Eligibility 8 months

AI Modules

Introduction to AI | Prompt Engineering for AI | Understanding LLMs | Effective Presentations with AI | AI for Placement Preparation | Leveraging LinkedIn for Career Growth | AI-based Mock Interviews | Future of AI in Industrial Automation

OUR ESTEEMED RECRUITERS
